

The background features abstract, overlapping green geometric shapes in various shades, creating a modern and dynamic feel. The shapes are primarily triangles and polygons, some semi-transparent, layered on a white background.

Group work: Country- level discussion Thailand perspective

Presented on June 21, 2019

3 important priorities for Thailand

- ▶ Section 64
- ▶ Reform the labor inspection
- ▶ Social dialogue

First priority: Section 64

- ▶ Reduce related charges
 - ▶ Extend period for this section
 - ▶ Use in metropolitan areas
 - ▶ Myawaddy side reform requirement to allow from different areas to enter properly section 64
- Need more evidences

Second priority: Reform the labor inspection

- ▶ Increase reach through alternative channels
- ▶ Paralegal
- ▶ Educate workers
- ▶ Improve investigation methods
- ▶ Interview people outside of factories

Third priority: Social dialogue

- ▶ The multi-stakeholders integration
- ▶ Regular meeting (every three month) in order to add social issues
