

The requirement for students in other programs to receive the NRM Minor:

Aug 2021 intake students

ED76.01	Ecological Principles for Natural Resources Management (3 credits)	Fall
ED76.9011	Natural Resource Management Field Lab I (1 credit)	Fall
ED76.16	Land Resources Management (3 credits)	Spring
ED76.20	Natural Resources Economics (2 credits)	Spring
ED76.9013	Technovation in Natural Resource Management (3 credits)	Spring
Total 12 credits		

Notes:

- (1) It is a minimum requirement. It does not exclude students from taking more NRM courses.
- (2) The requirement will undergo minor adjustments as the ongoing reform of NRM course structure takes shape.
